Dear Friend,

We are excited to announce that METAvivor Tahoe will be hosting its annual fundraiser on Monday, August 26, 2024, at The Pink House, in Genoa, NV. This year's event, titled Music for METAvivor, will look a little different, however, the goal is the same -- to raise awareness of metastatic breast cancer (MBC) and to raise funds necessary to continue critical research. Doors will open at 5:00 pm and we will have a cash bar, silent auction, dinner, and of course, live music performed by Ike and Martin.

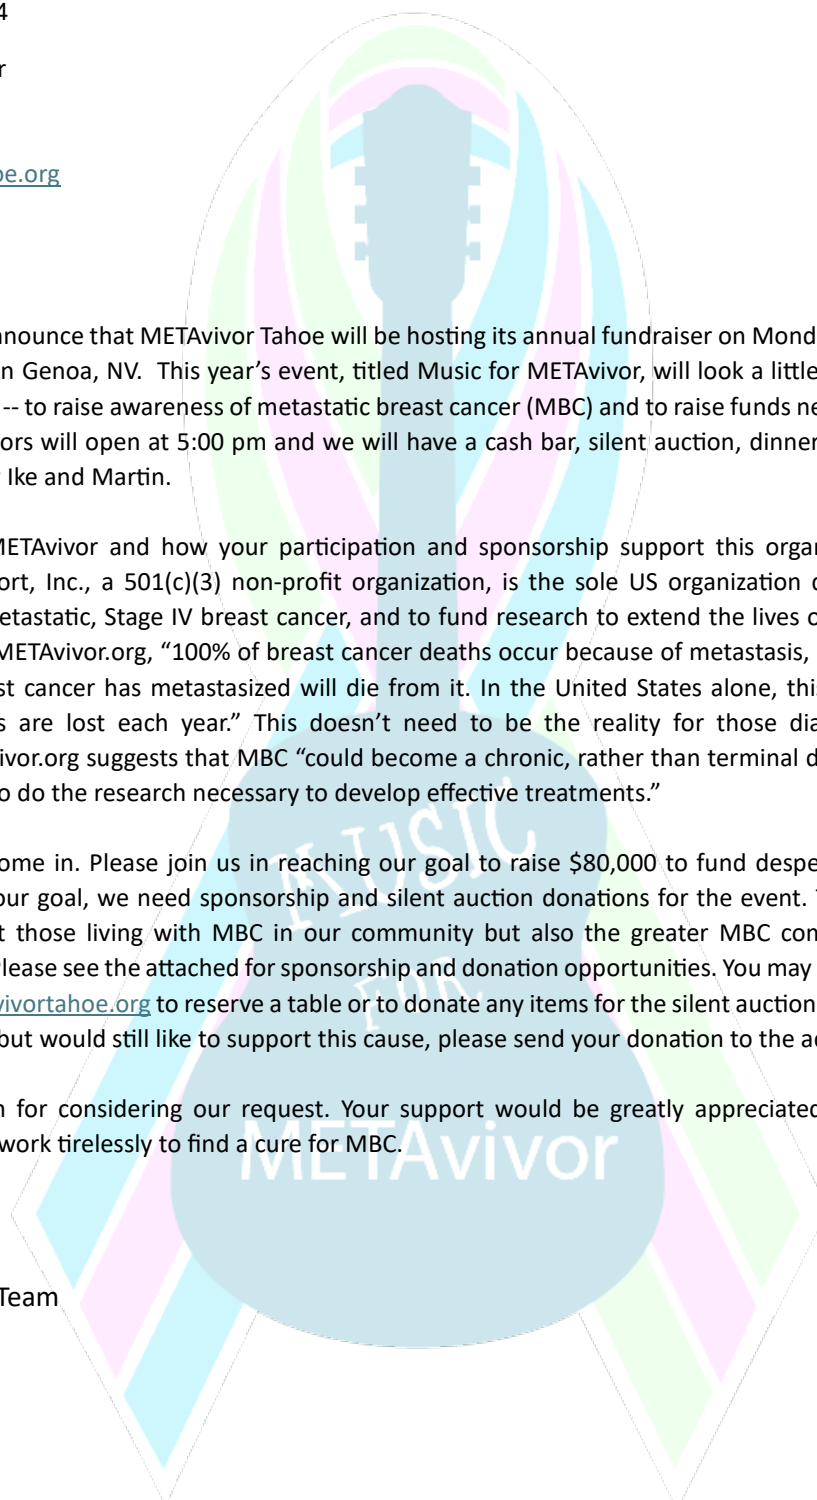

A little bit about METAvivor and how your participation and sponsorship support this organization: METAvivor Research and Support, Inc., a 501(c)(3) non-profit organization, is the sole US organization dedicated to raising awareness about metastatic, Stage IV breast cancer, and to fund research to extend the lives of people living with MBC. According to METAvivor.org, "100% of breast cancer deaths occur because of metastasis, and almost 100% of people whose breast cancer has metastasized will die from it. In the United States alone, this means more than 40,000 vibrant lives are lost each year." This doesn't need to be the reality for those diagnosed with MBC. Additionally, METAvivor.org suggests that MBC "could become a chronic, rather than terminal disease, if only there were more money to do the research necessary to develop effective treatments."

This is where you come in. Please join us in reaching our goal to raise \$80,000 to fund desperately needed MBC research. To reach our goal, we need sponsorship and silent auction donations for the event. This money will not only directly impact those living with MBC in our community but also the greater MBC community by funding essential research. Please see the attached for sponsorship and donation opportunities. You may also email the event team at info@metavivortahoe.org to reserve a table or to donate any items for the silent auction. If you cannot make the event this year, but would still like to support this cause, please send your donation to the address listed above.

Thank you so much for considering our request. Your support would be greatly appreciated by the METAvivor community who all work tirelessly to find a cure for MBC.

Sincerely,

METAvivor Tahoe Team
